It is apparent that some action ought to be taken by the town in regard to breaking roads in winter.

From February 15, 1901, to February 15, 1902 over six hundred dollars, or one fourth of the entire appropriation, has been spent for breaking roads in winter. These bills increase rapidly every year until the burden is getting very heavy. It is earnestly recommended that the town take some vote on this subject, so that the Selectmen may know what to do about paying such bills in the future.

WILLARD CUMMINGS, }
KELSEA KNAPP, } Selectmen of
WALTER DREW, } Colebrook

We have examined, audited and allowed the bills of the Selectmen, have compared the order books of the Selectmen with the Treasurer's accounts and find that they correspond with each other and that they are correctly computed.

J. H. DUDLEY, }
C. S. ALDRICH, } Auditors.
