Anything that contributes to the welfare and improvement of these general areas of business is the concern of the WMRA. It works independently and in cooperation with various trade associations, chambers of commerce, clubs, and local, state and federal agencies. Some recent WMRA activities include petitioning the Civil Aeronautics Board to reconsider its recent findings on air service to Berlin and North Conway; attendance at travel and sports shows in Springfield, Massachusetts, Hartford, Connecticut, and Montreal, Quebec, to sell the White Mountains Region to out-of-state tourists and sportsmen; contributing cash and prize awards to deserving North Country 4-H'ers; helping develop the New Hampshire page in the "Travel U. S. A. 1960" portfolio; setting up and conducting an industrial realtors' tour of the Region; answering hundreds of inquiries monthly and publishing and distributing six different folders annually (approximately 100,000 copies total) to promote travel to the Region.

IS THIS ALL?

No, indeed. These are merely representative activities. If you wish further information, we will be glad to send you our annual report, or discuss the matter with you personally.
