POLICE DEPARTMENT

COLEBROOK, NEW HAMPSHIRE

February 16, 1979

To the Honorable Selectmen:

Frank Owen
Richard Hicks
Palmer Lewis

Gentlemen:

I have taken on a large responsibility as Acting Chief of Police – probably the biggest taking of my life. With the guidance of our Selectmen and the cooperation of the citizens of the Town of Colebrook, I will try to fullfill my position.

During this last year, we were all saddened by the death of former Chief of Police, Borden Helms. Gilman Ladd changed positions as one of our full time officers to taking the night dispatcher job which was left open.

We picked Robert Hunt from Groveton to fill in the position Gilman left open, and is still at the present time, funded under the CETA program, which could run out at any time.

Last year also brought the apprehension and conviction of the two individuals, who robbed the First Colebrook Bank in Colebrook.

During the last year, some of the citizens of the Town witnessed an early morning drug bust, which was long overdue in the area, and still is a growing problem. All that we arrested were convicted and sentenced, but our job is done once we present the evidence—the rest is up to the courts.

Now this year, the Selectmen have accepted a resignation from Chief Charles Covey, they have hired special police officer Joseph Gifford as a full-time police officer. Joe will be going to the New Hampshire State Police Academy later this year to become a certified police officer.

In closing, I would like to thank the New Hampshire State Police, New Hampshire State Police - Drug Unit, Sheriff Department, and the rest of the local departments who have worked and helped us during the year, also a thanks to the citizens and Select-

men who have been cooperative and understanding throughout the past year. Now we are looking forward to another.

Respectfully,

Wayne Cross
Acting Chief of Police

COLEBROOK PUBLIC LIBRARY REPORT

Close to 19,000 books were checked out of the library in the past year. Many of the current books were bought through interest earned from the Leighton Cree Trust Funds. Mr. Cree once again added to his trust funds bringing the total to \$20,000. The interest from this fund plus others were used for purchasing over 400 new adult books.

The children's corner also saw an uplifting when the Lew Wallace Memorial fund, designated exclusively for children's books, brought in over 300 new children's books.

During the summer, 15 children joined the Book Worm Reading Club. We saw several movies, had story hours for pre-schoolers, and did fun projects for the books we read.

We have had a CETA girl working for us since July. She and the rest of the staff have done a complete check of the catalog file to bring all our cards up to date.

In November about 50 students read for the Multiple Sclerosis Read-a-thon and earned \$1,000 for this worthwhile project.

Your library is an expanding organization. It now reaches more people and provides more services each year.

Respectfully,
Mary Lynch, Librarian

The increase in salaries for 1979 is due to two reasons. The first portion is caused by the increase in Social Security and the rise in minimum wage. The second portion of the increase is the result of a proposed addition to the hours of coverage. The trustees would like to establish a juvenile section in the library basement in order to free crowded shelf space on the main floor for more adult books. If the juvenile section is established the trustees feel that a librarian should be present in that area during the hours that it would be open. This coverage would necessitate increasing the present hours of the library assistant by an additional five hours per week. It should be added that the funds for the renovation of the basement will be drawn from existing library funds and private donations. If the trustees find themselves not financially able to make the renovations (it will require among other things an outside exit and a change in the heating system) then the additional hours (if approved) would not be necessary and the related funds would not be expended.

TRUCK FUND

This fund was created in accordance with a vote taken at the Annual Meeting of the Colebrook Village Fire Precinct on March 29, 1932:

Article # 14 - Voted

To authorize the Fire Wardens to set aside the estimated profit from the use of the Fire Trucks at the fires outside the Precinct as a sinking fund to apply towards the purchase of new trucks at such time as the present trucks become worn out, said sinking fund to be deposited in the Savings Bank.

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!
