# REPORT OF TOWN AUDITORS

# POLICE REPORT

February 4, 1985

To The Honorable Selectmen:

Frank H. Owen, Chairman

William C. Weir

Richard W. Hicks, Jr.

Gentlemen:

This year the Police Department was lucky to stay on top of things that happened in town. I have never seen so many serious incidents since I first became a police officer seventeen years ago.

It started off in February with a robbery at Stub's Texaco, later found to be a hoax involving one of the employees and several local youths. In April, fugitive Christopher Wilder was killed in town, the Farmers and Traders Bank was robbed, then a suspicious death in Monadnock Village. We experienced a marked increase in crime in the year 1984. All crimes were investigated and the majority closed by arrest. Assaults nearly doubled, in most part as a result of increased domestic disturbances and people being intoxicated when confronted by a police officer.

Due to the criminal and motor vehicle case load increase, I would like to propose the hiring of another full-time police officer. This would facilitate twenty-four hour coverage and occasionally free up a man to attend much needed training in varying areas of Law Enforcement. The Colebrook Police Department must be able to keep up with modern law enforcement in these changing times.

The Department is proud of the decrease in Motor Vehicle Accidents. I partially attribute the decrease to an intensified enforcement program carried out by this Department. There were more D.W.I. arrests made this year than any year previous, more speeders and other motor vehicle lawbreakers apprehended.

During the year Officer Roland Martin was promoted to the rank of Sergeant, Patrolman Jeffrey Cauller completed his basic police training at the Police Academy in Concord, N.H. and graduated June 15, 1984. Randall Dobson joined the Department last year and completed his part-time training course. A short time later he resigned.

I would like to thank the Selectmen for their continuing support throughout the year, especially for their assistance in the field,

working with us at serious crime scenes. A thank you to all the Citizens of Colebrook for their cooperation and interest in local law enforcement. They truly help make Colebrook a safe place to live. As always the cooperation of the New Hampshire State Police, Coos County Sheriffs Department, and other local police departments in the North Country who have made the job of protecting lives and property easier for us at the Colebrook Police Department. A thanks goes out to the members of the North Country REACT for willing assistance in many areas. A special recognition goes out to the men and women who man the Communications Center.

No department can exist without the hard work, long hours, and dedication of its men. At this time I would like to express my gratitude to all the members of the Colebrook Police Department.

Let us work together to make 1985 a pleasant and peaceful year.

Respectfully,

WAYNE H. CROSS  
Chief of Police

## COLEBROOK PUBLIC LIBRARY

Well over 24,000 books, magazines, records, tapes, patterns, puppets, and puzzles circulated during the year. This reflects a substantial increase over last year with a large percent being children's books and material. Constantly adding and upgrading in all departments is making for a well rounded collection in those areas of greatest demand. Book sales and non-resident fees have increased our buying capacity to meet the growing needs of this and surrounding communities.

By meeting state standards one of the programs available to us is films. These were shown to children during the summer months with good attendance each week.

Bulletin boards made during the year have given us room to put up displays on various subjects, including sports, crafts, birds, Teddy Bears, and other subjects of interest to the public.

Again this year the Kiwanis has donated a sum of money to be used for early childhood development. Records and cassettes with books to accompany them were purchased and are circulating well.

Fall found children back in school and several classes visited the library for tours, education in the use of the library, story time and a lecture/display on creative writing.

Christmas storytelling and films ended the year with Veronica Shea assisting the staff.

Respectfully Submitted.  
Mary Lynch  
Librarian
