Town Of Colebrook

Annual Town Report

Year Ending December 31, 2003

Story Behind The Cover

This year the cover of our town report to the citizens of Colebrook features the past and present. For the citizens of Colebrook an important part of their lives includes their heritage. The picture representing the past shows the town snow roller in actual use with drivers Elmer Gould and Lyman Forbes. The present photo is as the snow roller looks today after the members of the Mohawk Grange #217 restored it. Members who went above and beyond the restoration process were: Glen Perry Sr., Bradford Brooks, Graydon Lyons, Wayne Brown, and Robert & Yvonne Burrill.

Robert Burrill and Glen Perry Sr. were responsible for getting the snow roller up over the bank on Diamond Pond Road where it was located. Then the repairs began. The hemlock for the roller came from the mill belonging to Linda Silver's father in Loudon, New Hampshire and Ethan Allen donated the hardwood for the seat. Scott Nash helped numerous times to move it from one location to another.

At the 2002 town meeting, funds were raised to build a structure to house the roller and protect it somewhat from the elements. In the summer of 2003, Paul Martel was contracted to construct the shelter in the Fletcher Memorial Park across from the town hall. We are extremely proud of the sturdy and attractive building which now provides covering for the restored roller. We feel it is an attractive addition to the park.

We want to express our grateful and sincere thanks to the Mohawk Grange for undertaking this tremendous project and allowing the town to place it in the park. Our thanks are extended to Alicia Boire for taking the present photo and Eleanor Lyons for the information she provided regarding the restoration.

Official Town Meeting Minutes
March 11, 2003
Colebrook, New Hampshire

Moderator Jon Frizzell declared the Annual Town Meeting opened at 7 p.m. The Pledge of Allegiance to the Flag was recited, followed by an opening prayer by Father Bellefeuille.

Article 1 To bring in your ballots for the selection of Town Officers to be elected by ballot for the Town of Colebrook for the ensuing year.

Article 2 Sally Wentzell made a motion to act upon all of the following articles contained in this warrant; Larry Rappaport seconded and all present agreed.

Article 3 Granvyl Hulse made a motion to instruct the Selectmen to appoint all other Town Officers as required by law. Denise Coggin seconded the motion and it passed with a voice vote.

Article 4 To vote by ballot on the following question:

To see if the Town will vote to adopt the provisions of **Senate Bill 76** (Chapter 84) authorizing a new construction **property tax exemption** for public accommodation and industrial construction for the purpose of fostering the economically depressed municipalities to encourage new construction, rehabilitation, and improvement of property for public accommodation and industrial use through the adoption of tax exemptions subject to all other provisions of said law. This exemption applies to the municipal tax and local school tax only for 100% of the new assessed value for no more than five years upon approved application by a qualified public accommodator. Yes: 180 No: 102

Article 5 To vote by ballot on the following question:

Are you in favor of the adoption of the following amendment to the existing Town of Colebrook Zoning ordinances, as proposed by the Planning Board? (The proposed amendment will increase the process time for applications of certificates of occupancy from five business days to ten business days.)

Article IV.6C.iv. Certificate of Occupancy:

- iv. Timely process. All applications for **Certificates of Occupancy**, once accepted and marked as complete by the Town's designated employees shall be processed within ten business days or the application shall be considered as automatically approved. Yes: 241 No: 76

Article 6 Sally Wentzell made a motion, seconded by Larry Pryor, to raise and appropriate the sum of **\$333,817.00** for **General Government**.

1)	Executive	\$ 93,622.00
2)	Election, Registration and Vital Statistics	\$ 18,311.00
3)	Financial Admin. /Tax Collection/Treasurer	\$ 80,269.00
4)	Planning & Zoning	\$ 24,515.00
5)	Legal and Data Processing	\$ 34,340.00
6)	General Government Buildings	\$ 40,010.00
7)	Interest on long-term notes	\$ 7,050.00
8)	Principal on long-term notes	\$ 35,000.00
9)	Economic Development	\$ 700.00

Sally Wentzell explained it was necessary to include monies for tax anticipation note interest; therefore she moved to amend the article to raise and appropriate the sum of \$340,817. Larry Pryor seconded the motion. Other items increased this year-included selectmen's salary; workmen's compensation due to three claims the past year; the necessity to update the two tax maps to meet requirements for recertification; and the addition of one more person in the town manager's office.

The motion to amend the article passed with a voice vote. The motion as amended, to raise and appropriate \$340,817 for General Government, passed with a voice vote.

Article 7 Sally Wentzell made a motion, seconded by Larry Rappaport, to raise and appropriate the sum of **\$20,000.00** for the purpose of conducting the **Annual Assessing Update**. The motion passed with a voice vote.

Article 8 Larry Pryor made a motion to raise and appropriate the sum of **\$3,925.00** for the following **Agencies**.

- | | |
|--------------------------|-------------|
| 1) North Country Council | \$ 1,925.00 |
| 2) Animal Control | \$ 1,000.00 |
| 3) Public Health Officer | \$ 1,000.00 |

Larry Rappaport seconded the motion and it passed with a voice vote.

Article 9 Sally Wentzell made a motion to raise and appropriate the sum of **\$ 59,406.00** for the operation and maintenance of the **Colebrook Cemeteries**, the sum of \$39,406.00 to be raised through taxation and \$20,000.00 to be raised from burials, cemetery trust funds and other Colebrook Cemetery revenues. Sally stated that the Trustees would like to begin work on reclamation of the old stones, relocate where refuse is currently dumped and begin filling in and leveling the back section so it can be used for burials. Larry Rappaport seconded the motion and it passed with a voice vote.

Article 10 Sally Wentzell made a motion to raise and appropriate the sum of **\$10,000.00** for the Colebrook village **Cemetery Fence Expendable Trust Fund**. Larry Pryor seconded the motion and it passed with a voice vote.

Article 11 Larry Rappaport made a motion, seconded by Larry Pryor, to raise and appropriate the sum of **\$ 275,722.00** for the **Police Department**. The motion passed with a voice vote.

Article 12 Larry Rappaport made a motion to raise and appropriate the amount of **\$ 17,075.00** for **Public Safety** purposes.

- | | |
|--|-------------|
| 1) Outside Fires | \$12,000.00 |
| 2) Permits, Training and Newspaper Notices | \$ 775.00 |
| 3) Hydrant Services | \$ 3,600.00 |
| 4) Emergency Management | \$ 700.00 |

Sally Wentzell seconded the motion and it passed with a voice vote.

Article 13 Larry Rappaport made a motion, seconded by Sally Wentzell, to raise and appropriate the sum of **\$ 505,461.00** for the expense and maintenance of **Highways and Streets** for the ensuing year.

- | | |
|--------------------|---------------|
| 1) Highways | \$ 336,631.00 |
| 2) Street Lighting | \$ 16,000.00 |
| 3) Snow Plowing | \$ 152,830.00 |

Mr. Rappaport explained that the expense for the backhoe needed to be divided equally between highway, water and sewer; therefore, he made a motion to amend the article to raise and appropriate the sum of \$503,251.33 for the expense and maintenance of the Highway and Streets. The amount raised for street lighting and snow plowing would remain the same; however, the amount for highways would be amended to \$334,461.33. Sally Wentzell seconded the motion. He further explained that it was planned to gravel all roads within the township this year, which would mean hiring an extra truck to help haul the gravel.

The motion to amend the article passed with a voice vote. The article as amended, to raise and appropriate the sum of \$503,251.33 for the expense and maintenance of Highways and Streets passed with a voice vote.

Article 14 Larry Rappaport made a motion, seconded by Sally Wentzell, to authorize the selectmen to enter into a long-term lease/purchase agreement for a period of five years in the amount of \$199,000.00 for a new **Highway Grader** and to see if the town will vote to raise and appropriate **\$74,800.00**, the sum of \$24,800.00 to be raised through taxation and \$50,000.00 to be withdrawn from the Highway Equipment Capital Reserve Fund. Will trade in the old grader at a value of (\$25,000.00). Due to the fact that this was a capital lease article for over \$100,000, a ballot vote was necessary. This article would need to receive a 2/3-majority vote. Moderator Jon Frizzell declared the polls open at 8:03 and they remained open for one hour. After the residents present voted, Mr. Frizzell asked to continue with the remaining warrant articles while the polls remained open. Everyone agreed. The article was **defeated** with the following ballot results: Yes: 52 No: 63

Article 15 Larry Rappaport made a motion, seconded by Sally Wentzell, to raise and appropriate the sum of **\$9,615.00** for the third year of a five-year lease agreement entered into in the year of 2000 for a **Backhoe** for the Public Works Department. The sum of \$5,415.00 will come from the Highway Department to be raised through taxation. The sum of \$3,200.00 will come from the Colebrook Water Works Department and the remainder of \$1,000.00 will come from the Colebrook Sewer Department.

Mr. Rappaport explained that the expense for the backhoe needed to be divided equally between highways, water and sewer; therefore, he made a motion to amend the allocations as follows: the sum of \$3,205.33 to come from the Highway Department; \$3,205.33 from the Colebrook Water Works Department and \$3,205.33 from the Colebrook Sewer Department. The motion to amend the article passed with a voice vote. The article as amended passed with a voice vote.

Article 16 Larry Rappaport made a motion, seconded by Sally Wentzell, to raise and appropriate the sum of **\$181,923.00** for the maintenance and expenses of the **Transfer Station** for the ensuing year. The motion passed with a voice vote.

Article 17 Sally Wentzell made a motion, seconded by Larry Pryor, to raise and appropriate the sum of **\$10,000.00** for the **Landfill Closure Plan**. The motion passed with a voice vote.

Article 18 Sally Wentzell made a motion to raise and appropriate the sum of **\$28,400.00** for **Monitoring Wells** at the landfill. Larry Rappaport seconded the motion and it passed with a voice vote.

Article 19 Larry Rappaport made a motion to raise and appropriate the sum of **\$2,500.00** to hold a **Hazardous Waste Day**. Sally Wentzell seconded and it passed with a voice vote.

Article 20 Sally Wentzell made a motion, seconded by Larry Pryor, to raise and appropriate the sum of **\$7,939.00** for the **Recycling Program**. The motion passed with a voice vote.

Article 21 Sally Wentzell made a motion to raise and appropriate the sum of **\$7,750.00** for **General Assistance** for the ensuing year. Larry Pryor seconded the motion and it passed with a voice vote.

Article 22 Sally Wentzell made a motion to raise and appropriate the sum of **\$59,838.00** for the **Colebrook Recreation Department**. Larry Rappaport seconded the motion and it passed with a voice vote.

Article 23 Sally Wentzell made a motion, seconded by Larry Rappaport, to raise and appropriate the sum of **\$3,500.00** for **Parks and Patriotic Purposes**. The motion passed with a voice vote.

Article 24 Larry Rappaport made a motion to raise and appropriate the sum of **\$35,000.00** to be added to the existing **Equipment Purchasing Capital Reserve Fund** with the sum of \$25,000.00 to be used for the purchase of highway equipment and the sum of \$10,000.00 for the purchase of a new police cruiser. Larry Pryor seconded the motion and it passed with a voice vote.

Article 25 Sally Wentzell made a motion, seconded by Larry Rappaport, to discontinue the **Corliss Lane Sidewalk Expendable Trust Fund**, created in 2000, Article #21, as the Hospital Road Sidewalk Expendable Trust Fund and renamed in 2002, Article #22. Mrs. Wentzell explained that the money currently in the fund would be moved into the Main Street Reconstruction Expendable Trust Fund. The motion passed with a voice vote.

Article 26 Sally Wentzell made a motion to raise and appropriate the sum of **\$54,240.00** for the **Main Street (Route 3) Reconstruction Expendable Trust Fund**. Larry Pryor seconded the motion and it passed with a voice vote.

Article 27 Larry Rappaport made a motion, seconded by Sally Wentzell, to raise and appropriate the sum of **\$ 308,394.00** for the **Colebrook Water Works and the Colebrook Sewer Facilities**.

- 1) Water Department \$ 184,927.00
- 2) Sewer Department \$ 123,467.00

Mr. Rappaport explained that the expense for the backhoe needed to be divided equally between highways, water and sewer; therefore, he made a motion to amend the article to raise and appropriate \$306,183.37, allocated as follows:

- 1) Water Department \$184,921.67
- 2) Sewer Department \$121,261.70

Sally Wentzell seconded and the motion to amend passed with a voice vote. The article as amended, to raise and appropriate \$306,183.37 for the Colebrook Water Works and the Colebrook Sewer Facilities, also passed with a voice vote.

Article 28 Larry Rappaport made a motion, seconded by Sally Wentzell, to raise and appropriate the sum of **\$ 84,900.00** for the support of the **Colebrook Public Library**, \$73,245.00 of which to be raised through taxation and \$11,655.00 of which to come from other sources such as Library balance on hand January 1, 2003, book sales, donations, trust funds, non-resident fees, other communities, over due fines, book resale's, copying fees etc., such funds to be expended under the direction of the Board of Library Trustees. Rosalie Smith, Library Trustee, explained she needed to amend the article to \$93,459.00. This amendment was necessary to reflect the money received from the Gates Foundation. The motion to amend the article passed with a voice vote.

The article as amended, to raise and appropriate \$93,459.00 for the support of the Colebrook Public Library, \$73,245.00 of which to be raised through taxation and \$20,214.00 of which to come from other sources such as Library balance on hand January 1, 2003, book sales, donations, trust funds, non-resident fees, other communities, over due fines, book resale's, copying fees etc., such funds to be expended under the direction of the Board of Library Trustees passed with a voice vote.

Article 29 Larry Pryor made a motion to raise and appropriate the sum of **\$ 139,264.51** for the **Colebrook Dispatch Center**, of which \$ 85,977.20 will be raised through taxation and the remainder to be offset by revenues raised from the participating towns. Sally Wentzell seconded the motion and it passed with a voice vote.

- Article 30** Sally Wentzell made a motion, seconded by Larry Rappaport, to raise and appropriate the sum of **\$20,889.00** for the support of the **Upper Connecticut Valley Hospital Ambulance Fund** which only purchases ambulance services and equipment, including ambulances, for the town that support the fund. (By petition) The motion passed with a voice vote.
- Article 31** Larry Pryor made a motion to raise the sum of **\$1,000.00** as a contribution for the support and services of the **Vershire Center**. (By petition) Larry Rappaport seconded and the motion passed with a voice vote.
- Article 32** Sally Wentzell made a motion, seconded by Larry Rappaport, to raise and appropriate the sum of Two Thousand One Hundred Fifty Dollars (**2150.00**) for the support of the **Tri-County Community Action Program**. (By petition) The motion passed with a voice vote.
- Article 33** Irene Bean made a motion to support the request being made by Tri-County CAP, Inc. North Country Elderly Programs for the Colebrook town funding in the amount of **\$3,000.00** to be raised and allocated to the **North Country Senior Wheels Program**. Sally Wentzell seconded the motion and it passed with a voice vote.
- Article 34** Larry Rappaport made a motion to support the request being made by Tri-County CAP, Inc. North Country Elderly Programs for Colebrook Town funding in the amount of **\$3,775.00** to be raised and allocated to the **Senior Meals Programs**. (By petition) Sally Wentzell seconded the motion and it passed with a voice vote.
- Article 35** Larry Rappaport made a motion to raise and appropriate the sum of **\$7,500.00** to be used to continue to partially support the local **Main Street Village Program**. The Colebrook Downtown Development Association Main Street Village Program Board of Directors and Main Street Director will expend the funds.
- Having come before the Town last year for the second year of funding and been approved, this is the third year (of a total of three year commitment initially explained to the voters when seeking funding to secure a Main Street Community designation). A vote to appropriate the funds will enable us to continue to meet our commitment made to the Main Street Program when we sought designation as a Main Street Community. (By petition) The motion was seconded by Sally Wentzell and passed with a voice vote.
- Article 36** Larry Rappaport made a motion, seconded by Larry Pryor, to raise the sum of **\$2,400.00** as a contribution for the support and services of the **Upper Connecticut Valley Mental Health & Developmental Services**. (By petition) The motion passed with a voice vote.
- Article 37** Larry Pryor made a motion to raise and appropriate the sum of **\$7,600.00** for the **Upper Connecticut Valley Hospital** to help defray the costs of providing **Emergency Services**. (By petition) Larry Rappaport seconded the motion and it passed with a voice vote.
- Article 38** Larry Pryor made a motion to raise and appropriate the sum of **\$9,500.00** for the **Upper Connecticut Valley Home Health Services**. (By petition) Larry Rappaport seconded the motion and it passed with a voice vote.
- Article 39** Sally Wentzell made a motion, seconded by Larry Rappaport, to list the Selectmen as agents of the following trust funds: **Bridge Fund, Highway and Police Cruiser Equipment Purchasing Fund**. Sally Wentzell explained that unless the words until rescinded were added to the article, it would need to come back before the voters each year; therefore, she made a motion to amend the article by adding the words "until rescinded" to the very end. Larry Rappaport seconded the amendment. The motion to amend the article passed with a voice vote. The amended article to list the Selectmen, as agents of the following trust funds: Bridge Fund, Highway and Police Cruiser Equipment Purchasing Fund, until rescinded, passed with a voice vote.

- Article 40** Larry Rappaport made a motion, seconded by Sally Wentzell, to **authorize** the Selectmen to begin **negotiations** towards the **purchase** of the **railroad bed** within the geographical confines of the Town of Colebrook, NH. Mr. Rappaport explained that this might be a mute article as the current offer to purchase the railroad by a private person has been taken off the table; however, approval of this article would give the Selectmen the authorization to act as the town's representatives to begin discussion. After much discussion, the motion passed with a voice vote.
- Article 41** Larry Rappaport made a motion, seconded by Sally Wentzell, to **authorize** the Selectmen to **convey ownership** of the **new industrial building** located on Colebrook Development Corporation's property (Tax Map U-7, Lot 20, subdivision lot #5) to the **Colebrook Development Corporation**. (This building was built with EDA grant money.) The motion passed with a voice vote.
- Article 42** Larry Rappaport made a motion to **authorize** the Selectmen to **accept conveyance** of lot #4A as shown on a plan entitled subdivision for Utility Installation for Town of Colebrook (**sewer pump house**), part of Colebrook Industrial Park, Colebrook Development Corporation, Owner. Lot 4A is 50' x 75' and is adjacent to the 50' right of way known as Bill Bromage Drive. Sally Wentzell seconded the motion and it passed with a voice vote.
- Article 43** Sally Wentzell made a motion to **authorize** the Selectmen to **sell the Old Town Garage** (located at the rear of CN Brown buildings) by sealed bid process. Larry Pryor seconded the motion and it passed with a voice vote.
- Article 44** Larry Pryor made a motion, seconded by Larry Rappaport, to authorize the Board of Selectmen to deed the **Nugent Spring Street Property** (Tax Map U-13 Lot 66) for \$1.00 to the Colebrook Downtown Development Association.
(Intent: CDDA would apply for grants as a non-profit organization to refurbish the building and when sold repay the Town of Colebrook for property taxes due. If at the end of a five-year period no grants have been received or no progress made, the property will be sold back to the Town for \$1.00.) (The Selectmen recommend passage of this article.) In answer to many voters concern, Rick Tillotson explained that the building cannot be kept by the non-profit organization and has to go back on the tax roles as part of the grant. After more discussion, the motion passed with a voice vote.
- Article 45** Sally Wentzell made a motion, seconded by Larry Pryor, to authorize the Colebrook Cemetery Trustees to **apply** for, **accept** and **expend**, without further action by Town meeting, money from the State, Federal or other Governmental unit or a private source which, becomes available during the year, in accordance with RSA 31:95-b, until rescinded. The motion passed with a voice vote.
- Article 46** Sally Wentzell made a motion for the voters of Colebrook to vigorously oppose any reduction from the present level of **state adequate education funding**, any shirking of the State's responsibility for providing and funding public adequate education, and any other measures that disregard the Supreme Court's interpretation of the constitution in the Claremont court decisions. Larry Pryor seconded the motion and it passed with a voice vote.
- Article 47** Sally Wentzell made a motion for the Town of Colebrook to will work closely through its Board of Selectmen and with other North Country communities to communicate our common interests in actively participating in the revision of the **White Mountain National Forest Plan**, focusing on continued management for the multiple uses of timber, recreation, wilderness, and clean water. Larry Rappaport seconded the motion and it passed with a voice vote.

Article 48 Larry Rappaport made a motion that we, the citizens of **Colebrook**, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

Everyone, including the self-employed, unemployed, un-and underinsured, and small business owners have access to an **affordable basic health plan** similar to what federal employees receive

Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair **contribution to finance** the health care system;

Everyone receives high quality care that is cost efficient and medically effective; and

That these efforts help control the skyrocketing cost of health care.

(By Petition)

Larry Pryor seconded the motion and it passed with a voice vote.

Article 49 Granyvl Hulse made a motion to **accept, ratify and confirm** the reports of the Agents, Selectmen, Auditors and all other Town Officers. Ronald Hughes seconded the motion and it passed with a voice vote.

Article 50 To transact any other business that may legally come before this meeting:

Sally Wentzell welcomed all the new officers and thanked all the following people for the time they served: Bruce Lyons and Eugene Jannenga on the Planning Board; Mary Jannenga as a Supervisor of the Checklist; and Richard Hicks as a Cemetery Trustee. Outgoing Selectman Larry Pryor was given a round of applause.

The meeting was adjourned at 10:00 p.m.

2004 Town Manager's Report

We are fortunate that Colebrook is a close-knit community with so many dedicated volunteers that want to help their town continue to grow. Greater results are being seen because these different organizations and committees are working together. If any Colebrook residents have time on their hands and would like to donate a few hours a week, please call the town office for a list of different organizations looking for volunteers. The Main Street Program is very active and Main Street is looking great!

Senator Judd Greg obtained \$500,000.00 from the federal government for water infrastructure, which will certainly be an excellent start to tying new water wells to existing water mains or upgrading the current undersized 100-year-old water mains.

The town hired a hydro geologist to conduct studies to locate possible new water well sites as the current wells could become contaminated at any time. Four sites were identified but only one property owner was willing to sell the land. The town will be drilling two test wells, to determine if there is sufficient and required water quality for a municipal water supply. The town currently has an option on the land in the amount of \$160,000.00 with \$60,000 to come from the Water Department, \$20,000.00 from the taxpayers and \$80,000.00 from the Fifteen Mile Mitigation Grant. The grant requires an easement on the property to retain it in its natural state and to ensure that the road frontage land not be developed commercially to protect the wells in perpetuity. Different proposals listed to obtain the grant were: Protecting land surrounding well sites from being developed as commercial land, outdoor science classes, nature trails and a river walk, boat launch and picnic area for observation of the river, mountains, wildlife, birds and flowers. The dream of eventually tying this land in with the down town area with a river walk along the edge of the Mohawk River from the municipal parking lot to the railroad bed, The walking, hiking and biking trails along the railroad bed up to the Interpretive Center at the Rest Area, with a trail branching off to the Community Pool was also a portion of this grant. These trails could be utilized for cross country skiing and snow shoeing during the winter months. A snowmobile trail already travels through this property. If the town does not find sufficient quantity and quality of water the option will expire and the grant will be declined.

The Colebrook Board of Selectmen, North Country Senators and Legislatures and myself have worked very closely with DES officials to find a cost effective way to cap and close the landfill. If the town were allowed to bring in household rubbish to dome the landfill before capping it, they would save between two and three million dollars. DES officials recently requested the town's engineering firm to conduct extensive studies of different issues the state is concerned about. After all reports have been submitted and studied by State officials, they will determine whether to allow the proposed closure and what measures Colebrook and their engineers have to take during the closure process. If the town receives permission to start the closure process, the Town will hire their own inspector to monitor all loads of rubbish to ensure that Colebrook does not take any un-permitted material that could harm the closure process. If all goes well with the studies, the closure could start during the 2004 summer period.

Due to the resignation of Colebrook's Recreation Director, all the town's recreational activities were in danger of being shut down until a new director was hired. Nancy and Duane Call called immediately, offering to manage the basketball season, and several other parents called offering their services also. No one wanted the children to miss out on their programs. Every one did a tremendous job! Parents and students that assisted Nancy and Duane were Eldonna and Clint Brooks, Roger and Chantal Griffin, Danny Smith, Lisa Bouchard, Craig Bedard, Mike Ouellet, Richard Siewierski and the Junior High and High School boys and girls basketball players. Other people calling to take over programs were MaryAnn Neary (kids gym) and Jennifer Lyons, with assistant Melanie Mathieu, (arts and crafts.) Heidi Lawton assisted Linda White with the HOAP Program and all other recreational program volunteers in any direction that was needed. I want to take this opportunity to thank everyone that assisted with the programs and everyone's patience with any problems. If I missed thanking anyone, please accept my apologies and know that it was unintentional.

The Town of Colebrook now has a recreation committee that assisted in hiring the new recreation director. They are Eldonna and Clint Brooks, Wayne Frizzell, Raymond Gorman, Darren McCarthy, Jean Maxwell, Lori Morann, Mike Ouellet, Christine Phillips, Angie Putnam and Joan Walsh. They will assist the director and give guidance for future programs. If anyone has suggestions for new programs or events, please contact Melissa at 237-5086, Heidi at 237-4070 or the recreation board members.

Chief Farrell tendered his resignation, effective March 26, 2004; therefore the town is currently advertising for a new chief. If a new chief is not hired by March 26th, Sergeant Steve Cass will run the department under the direction of the selectmen and myself.

The planning board and other volunteers are working to update the Master Plan. If anyone is interested in the direction Colebrook will take in the future, please join these meetings. The committee will be sending out surveys asking what you would like to see. Please fill these out and return them, as every resident's thoughts are important. For your convenience, there will be a drop-box in the front entrance of the town hall, which is open twenty-four hours a day, as well as other places around town.

Colebrook Police Department

The year 2003 has been very eventful. Though we lost Officer Potter shortly after he exited the police academy, we were fortunate to hire Officer Timothy Stevens through a Federal Community Oriented COPS Grant. Officer David Radun was hired in August of 2003. Obtaining these officers allowed the department to provide twenty-four hour service to your community. This full time service has been very productive in enhancing the Town's security needs.

Officer David Radun is currently completing his training at the New Hampshire Police Standards & Training Academy and will be graduating March 26th, 2004. This will increase the department to a Chief and four full-time officers.

Grants obtained in 2003 were the COPS Grant (providing a full-time officer), and the Homeland Security II Grant (new portable digital radio). The Colebrook Police Athletic League received a Federal PAL Grant of \$19,000.00, which continues to finance the hockey teams and several after school activities for our youth.

Though we did not receive a Coos County grant this year, there were still ample funds to keep our youth programs going, thanks to Officer Jules Kennett. For the past several years, it has been Officer Kennett who has coordinated numerous athletic activities, coaching & grant writings. He has done an exceptional job with the help of many volunteers. Also, a special thanks to the efforts of Camilla Stewart whose record keeping efforts for the league have kept us on the right path.

I may be biased, but the men employed within the police department are professional, intelligent and have a great desire to serve this community and keep it safe. Even though I may be leaving my position as your Chief of Police, I encourage you to talk with the officers on a regular basis. They are a great group of men.

We will continue to improve and upgrade the police service in the future and will continue to provide you with the highest degree of security for you and your families. God bless you all.

James G. Farrell, Jr.
Chief of Police

Public Works Report for 2003

First and foremost, I want to thank my crew for a job well done. These people sacrifice much of their evening and night hours to maintain our roads and infrastructure.

We placed fabric and gravel on 1800 feet of the East Colebrook Road, about one-half mile east of the end of the pavement at the old schoolhouse. We also put in 1200 feet of underdrain on Hughes Road with fabric and gravel to alleviate the mud problem. On South Hill Road at the Beaver Brook culvert, we put in 400 feet of fabric and gravel. These projects should help with some of the larger mud problems we encounter every spring.

A comprehensive leak detection survey of the entire water system enabled us to repair six major leaks, saving us a substantial amount of water pumping. We have also replaced two-thirds of our water meters and hope to finish replacements over the next two years.

Our sewer system is working as designed and has an added capacity of approximately 160,000 gallons per day. This allows for substantial additions to our collection system.

This year, 2004, we will be resurfacing gravel roads with a four to six inch coat of gravel and do some overlay pavement on the older sections of paved roads. We will also be completing the installation of road signs this year.

Sincerely,
Kevin F. McKinnon

Office of the Town Clerk

Our way of doing business did not change in 2003, as the new system for motor vehicle registrations did not materialize. We are now being informed it would occur in July 2004. I hope this will not require a long learning period for us or a waiting period for you.

You may notice that revenue was generated from boat registrations this year. This is something new. If you have a boat to renew, it is possible for us to take the municipal fees, give you a receipt and then you can mail the state fees to Concord for your decals. With the advent of the new system in July 2004, we might be able to do the complete boat registration renewal here.

The following is a breakdown of the revenues turned over to the Treasurer during the year ending 2003:

Motor Vehicle Registrations (3,282)	\$365,397.00
Boat Registrations	30.76
Dog Licenses (514)	3,224.00
Vital Statistics Abstracts	5,429.00
Births Recorded: 17	
Marriages Recorded: 16	
Deaths Recorded: 26	
Dog Fines	400.00
Bad Check Collection Fees	300.00
Requests for Voter Checklist	170.00
Filing Fees	<u>10.00</u>
TOTAL Turned Over to Treasurer	\$374,960.76

This total will differ from the Treasurer's Report by the amount of \$51.00, due to a reimbursement of a 2001 registration. Every year, monies collected from dog licenses must be turned over to the Department of Agriculture for animal population control per RSA 466:4. This year the amount turned over was \$954.00. The full amount collected for vital statistics is turned over to the State of New Hampshire, also.

Colebrook Planning Board Report

The Planning Board had a very busy year in 2003, not only issuing permits, but also undertaking the task of addressing cluster housing. It was a very time consuming project, trying to be sensitive to adjacent property owners and the nature of the town, without stifling development. The board feels a good balance has been reached and hopes the citizens of Colebrook will support the regulations on this year's ballot.

We have also started another large undertaking for 2004, updating the Town Master Plan. By state law, it needs to be done, but will also give the governmental agencies of the town a direction for the future. An updated Master Plan is vital for applying for and receiving grants. All of the town's government branches have been invited, along with other business and civic groups. As a citizen, you are invited and encouraged to participate in this project.

It should be understood the Planning Board does not make policy decisions for the town. The citizens of Colebrook decide policy. The Board's main focus is to make sure federal, state and local laws and ordinances are followed. Please attend a meeting and see how the Board operates. Meetings are held on the first Tuesday of the month at the Town Hall in the Colebrook District Courtroom.

Statistics for 2003:

Colebrook Regional Dispatch Center

For the year 2003 the Dispatch Center handled 17,473 calls. This compares to 16,234 calls in 2002, an increase in call volume of approximately eight percent.

A system, which digitally records all electronic communications emanating from or received by the center, was installed in March. This allows us to access any previous calls within just a few moments. In addition, this also produces unalterable documentation of how all phone and radio traffic has been handled. This gives us an unprecedented opportunity for a quality assurance program.

At the annual core town meeting, it once again was decided to keep the dispatch center staffed predominately by part-time personnel. This was done to save the area residents money that would otherwise have to be raised through taxation. In furtherance of this policy, the creation of a hiring committee has been decided upon. It is felt this will help alleviate the ongoing staffing shortage we experience in dispatch.

A major accomplishment has been the destruction of approximately thirty years worth of hand written dispatch logs. Dozens of boxes of dispatch records (some dating back to the nineteen-seventies) were being stored, unsecured, in the basement of the Town Hall. I contacted State Police Headquarters in Concord and learned that we are required to keep these records for five years, after which they must be destroyed. Archived logs are now kept in a vault in CD format.

I am happy to report that technologically the center has now been brought up to standard. In the coming year, I hope to see a continuation of the increase in the level of professionalism and dedication that the center has seen in the past few years. I am also looking forward to the full implementation of the E911 system. The mapping aspect will be a great asset to both dispatch and the community when it is finally fully operational.

Kevin C. MacCready
Dispatch Supervisor

Colebrook Public Library Report

This year we moved into the Technology Age with a bang. The library received the Gates Foundation Grant in the spring. Larry Rappaport and Dan Skousen generously donated their time to install the wiring (which proved to be a task in itself) for DSL access. The children's room now has a computer with a wireless connection to the internet. The Grant money left over was used to purchase two new Gateway computers, giving the library a total of four new computers, plus an older model with internet access. The staff and trustees would like to publicly thank Larry and Dan for all their hard work.

Vista volunteer, Betty Washburn, stayed for another year and is busy teaching internet and computer skills to patrons. She also teaches Vershire clients a basic computer course twice a week.

In the spring, we applied for a grant from the Tillotson North Country Foundation for the purchase of a Microfilm reader/printer and rolls of microfilmed newspapers. This would give the community and genealogists access to newspapers that are no longer available or are too fragile to read. The foundation agreed to match up to \$5,000.00, in funds raised; at this time we are \$1,300.00 short of our goal. We have learned that The News & Sentinel has been filmed from 1960-1994, the Northern Sentinel from 1870-1875, the Colebrook Sentinel from 1914-1934 and the Colebrook Chronicle from 2001 to present at a cost of \$38.00 a roll.

The Children's Librarian, Bobie Cummings has added a lap-sit program for toddlers and is busy with school visits, classes coming to the library, and two story hours per week. She also started a chess night for anyone willing to learn or play the game. Donna Collins was hired in the fall to help in the Children's Room.

An open house was held on November 17th to observe the library's 75th birthday. We invited past librarians, trustees and town officials. Former librarians, Elmerline Vancore and Frances Haynes were able to attend and reminisced with their former trustees. Frances had put together scrapbooks with important library events. These scrapbooks are still in the construction stage but Frances has finished one for the public to see. Ellie Gooch donated a plaque, which hangs behind the desk, with the names of past and present librarians.

The local quilting group, The Piece Keepers, donated a beautiful quilt to the library as a thank-you for using our meeting room.

The New Hampshire Library has released last year's interlibrary loan statistics. Colebrook borrowed a total of 625 materials and we lent 715 to other libraries. Material is also borrowed or lent by e-mail and telephone requests, so both totals are actually higher. We also have the capacity to load our new material records into the state system. We added 1,574 records for a total of 18,724.

Programs held through the year were as follows: Wayne from Maine, ended the summer reading program; Dan Foley entertained at the Moose Festival, Joshua J. Waffles interpreted "The Poetry of Shel Silverstein during Children's Book Week, and a memoir writing workshop and reading was done by Clare Robson.

I would like to thank our volunteers, Sandra and Robert Ferrini and Jan Dutney for processing our books and Donna Forbes for typing cards. A big thank-you to Ellie Gooch for reading the News & Sentinel on to cassette for our sight impaired patrons.

Independent Auditor's Report
June 11, 2003

To the Board of Selectmen
Town of Colebrook, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Colebrook, New Hampshire, as of and for the year ended December 31, 2002, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Colebrook, New Hampshire's management. Our responsibility is to express an opinion on these general purposes financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in note 1, the general purpose financial statements referred to above do not include the financial statements of the general fixed asset account group, which should be included in order to conform with accounting principles generally accepted in the United States of America. The amount that should be recorded in the general fixed asset account group is not known.

As described in note 1, the Town has recognized tax revenues of \$397,201.00 in its general fund, which were not received in cash within sixty days of year-end as required by accounting principles generally accepted in the United States of America (GASB interpretation 3). Town officials believe, and we concur, that the application of the accounting principle, which would result in a decrease of the undesignated general fund balance from \$410,010.00 to \$12,809.00, would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Colebrook, New Hampshire, as of December 31, 2002 and the results of its operations and cash flows of its non-expendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements of the Town of Colebrook, New Hampshire taken as a whole. The combining financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Colebrook, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,
Vachon, Clukay & Co., PC

**TOWN WARRANT
COLEBROOK, NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 8 A.M. TO 6 P.M.**

To the inhabitants of the Town of Colebrook, in the County of Coos, in the State of New Hampshire, qualified to vote in Town Affairs.

You are hereby notified to meet at the Colebrook School Gymnasium in said Town of Colebrook on **Tuesday, March 9, 2004 at 7:00 P.M.** in the evening, to act upon the following subjects:

Article 1 To bring in your ballots for the selection of Town Officers to be elected by ballot for the Town of Colebrook for the ensuing year.

Article 2 To act upon all of the following articles contained in this warrant.

Article 3 To see if the Town will instruct the Selectmen to appoint all other Town Officers as required by law. (The Selectmen recommend passage of this article.)

Article 4 To vote by ballot on the following question:

Amendment #1: Are you in favor of the adoption of Amendment #1 to the existing Town of Colebrook Zoning Ordinances, as proposed by the Planning Board? (The Planning board approves the passage of this amendment.)

- 1) Cluster Housing Ordinance to help the Planning Board facilitate slightly greater density for cluster housing development while keeping the nature and character of our area. This ordinance will be inserted into the Town of Colebrook Zoning Ordinances as Article V, with the remaining Articles renumbered accordingly.

Amendment #2: Are you in favor of the adoption of Amendment #2 to the existing Town of Colebrook Zoning Ordinances, as proposed by the Planning Board? (The Planning board approves the passage of this amendment.)

- 2) Amend Article III of the Zoning Ordinances to include definitions for buffer zone, cluster housing, density, dwelling unit, non-motorized recreational use, open space, open water and trail.

Article 5 To see if the Town will vote to authorize the selectmen to enter into a long-term, with no escape clause, lease/purchase agreement in the amount of \$211,043.00 **payable** over a term of five years at a yearly rate of 4.25% for a total of \$27,209.00 per year to lease/purchase a new **Town Grader** for the highway department and to raise and appropriate the sum of **\$27,209.00**, for the first year's payment for that purpose. REPORT ON THE COLEBROOK CEMETERIES

Colebrook has within its boundaries four cemeteries of which the trustees are responsible for three. The fourth is the private Roman Catholic cemetery on South Main Street just north of the Shrine.

The Cemetery Trustees have the responsibility of being the general overseers of the care and maintenance of the three cemeteries. However, in as much as the bulk of the money raised for the maintenance comes from perpetual trusts, the trustees of the Trust Funds of Colebrook are charged by State law with the task of insuring that the trust money is used as the original donors expected it to be.

Village Cemetery:

The Village Cemetery is located on U.S. Route 3 at the northern edge of the village. The bulk of the old cemeteries trust funds are dedicated to this cemetery.

Reed Cemetery:

The Reed Cemetery is located in East Colebrook at the junction of the Forbes and Reed Roads. With one exception the rules that apply to the burials in the Village Cemetery apply to those of the Reed Cemetery. The exception is that, due to the limited space available for future burials, only those persons with either a strong family connection to the cemetery or own their lots may be buried in that cemetery.

Titus Hill Cemetery:

This cemetery is located on Titus Hill Road, east of the village. Since there are no maps associated with this cemetery and no records exist of where the old graves are located, this cemetery, for all practical purposes, is closed to future burials.

St. Brendan's Cemetery:

This is a private cemetery under the control of St. Brendan's Catholic Church in Colebrook; with the exception that the town annually provides a sum of money to assist in its maintenance. We exercise no jurisdiction over its operation. All trust funds that were previously held by the Trustees pertaining to persons buried in this cemetery were turned over (with State approval) to the St. Brendan Trustees in the early 1980's.

Cemetery Trust Funds:

There are five different types of trust funds relating to the village cemeteries: perpetual care, cleaning of tombstones, flowers, trees and shrubs, and general maintenance.

NOTE:

It should be stressed here that the Colebrook Trustees of the Trust Funds are not bound to accept bequeaths from wills or otherwise perform tasks which they feel are not in the best interest of the Town. (e.g. further flower funds.) The Trustees may reject such bequeaths. Consequently, should lawyers or persons drawing up wills call for advice, it is strongly urged that the Trustees advise the person plainly that any bequests against Trustees policy will not be accepted.

Perpetual Care:

This is by far the largest number of trust funds held by the Trustees of the Trust Funds. They can be divided into three types:

- a. **RESTRICTED:** the oldest and largest number of trust funds. These are set up so that the interest is used only for the maintenance of a specified lot.
- b. **NON-RESTRICTED:** in the early 1980's the wording of the perpetual care trust funds was changed to allow the excess interest accumulated from each new trust to be used for the care of the cemetery as a whole.
- c. **GENERAL TRUSTS:** starting in 1986, by a vote of the townspeople at the Annual Town Meeting, it was decided to do away with specific trusts. Perpetual care funds are now transferred to a general cemetery trust fund, and except for the year that the money was received, the identity of the trust is no longer kept separate. We do, however, keep a name card on file of these trusts for reference purposes.

Cleaning of Stones:

There are three trusts that contain within their instructions wording that call for occasional cleaning of the tombstones. These instructions are to be honored as long as adequate funds are available over and above the general care and maintenance of the lots. No further trusts of this nature will be accepted, as the Cemetery Trustees have initiated a cleaning and reclamation program for the complete cemetery.

Flower Funds:

Originally there were twenty-four (24) lots for which flower funds had been established. These called for flowers to be placed on the lots each Memorial Day. These requests have been honored as long as funds were available to maintain the lots and purchase the flowers. Only nine (9) remain with sufficient funds. Annually (just before Memorial Day) the Trustees of the Trust Funds will contact one of the local flower shops and contract the placement of the flowers on the respective lots. No further trusts of this nature will be accepted.

(All lot locations are based on Nancy Dodge's register of cemetery plots and are all located in the Village Cemetery)

Trees and Shrubs:

This fund was established by Elizabeth and Nellie Young to beautify the Village Cemetery. It can be used for the purchase of trees and shrubs, perennials, etc little or nothing of the account had been used over the years, and as a result it has grown to considerable size. Presently, approximately \$500 is withdrawn each year to trim the hedges and shrubs.

General Maintenance:

Frank Leonard left money for the general care and maintenance of the Village Cemetery. The interest of this fund has been used primarily to paint the wrought iron fence.

Tibbett's Family Trust:

These funds are to be used to create and maintain the Tibbett's Memorial Park, and such other programs that will add to the beauty of the cemetery. The expenditure of these funds is to be determined annually by the Trustees of the Trust Funds in conjunction with the Cemetery Trustees.

New Cemetery Trusts:

The purchase price of a new lot includes both the costs of the lot and the perpetual care. It is paid to the Treasurer of the Cemetery Trustees, who then turns it over to the Trustees of the Trust Funds.

Colebrook Cemetery Trustees Report

This year we were able to install the first section of our new fence. Individuals were requested to make donations in memory of loved ones and the response was most gratifying. Edith (better known as Sis Wallace) and Joseph Dugas helped us greatly by offering to match all funds taken in towards this project. They suggested an Expendable Trust Fund be established for the future repairs and maintenance of the fence. An article will be placed on the Town Meeting Warrant to make it possible for their wishes to be fulfilled.

To those that have made donations to the Cemetery Fence Fund, we want to express our sincere and heartfelt gratitude. Those that have donated to date are:

Colebrook Cemetery Trustees Report Continued:

The Board of Trustees wishes to express their appreciation to Sexton Roland B. Martin, Leonard Caires, and Jack Johnson for their care and maintenance of the cemetery. Their projects of cleaning, washing, lifting, and leveling head and footstones, as well as filling in and reseeding sunken graves, has added so much to the appearance of the cemetery grounds.

Flowers were once again planted in the area of the old tomb by Elinor Gooch, Barbara Shomburg, Ruth Lewis, and Jean Haynes. They were watered and cared for all summer and to all involved we express our appreciation for a job well done.

The following cemetery lots were purchased in the following sections:

Colebrook Village Cemetery-

Paul Ames (two lots)
Robert E. & Cheryl A. Eastman
Mark Patton
Roland & Leona LaPerle
Nancy Gaudette (two lots)
Ralph & Eileen Fogg
Christopher J. Clark (two lots)

Abner & Laura Bean Section-

Katherine Campbell
Nathan Hodge

We had a total of twenty-six committals this year, fourteen full burials, and twelve cremations. We had five entombments from other towns for which we were reimbursed.

Planters of flowers and Christmas wreaths were placed at the main gate by Elinor Gooch and Virginia Stickney. Their efforts are greatly appreciated by the trustees.

The Trustees are committed to future improvements on the following projects:

1. Replacement of the second half of the fence along Route 3 to the property line.
2. Paving the remaining entranceways up to the fence line.
3. Rebuilding the existing road system.
4. To do work in the disposal area where excess dirt, limbs, etc., are placed.
5. Reclamation of headstones in several areas.
6. Fill in back area next to Bruce Haynes land and reseed for future burials.

Respectfully submitted,

Sally S. Wentzell, Trustee
Bookkeeper/Secretary for the Cemetery Trustees

Colebrook 911

It was 1994 when Colebrook was first informed that we would be going to the 911 system. Now, ten years later it appears that this will happen within the next few months.

The project has been much longer then anyone thought it would be when it began. Step one was to locate streets and roads to give them names. Next the state 911 GSI mapping equipment vehicles came in to gather the necessary information. Once maps were made, others from state 911 located buildings and fire hydrants. Each building with electrical power or telephone service was assigned numbers.

Sally Wentzell was our designated person to work on this project. When all the above was taking place, she was there with them to make sure every road and building was taken into account. Once the maps and address numbers were assigned, she had to ride each road again and verify all the information. This was no easy task, but Jean Haynes volunteered to assist her, which was a great help. Everyone wishes to express our grateful appreciation to Jean for her help.

Shortly, the information will be received by the United States Postal Service and Verizon. Once this is accomplished all parties involved will set a date for the change over.

Before the change over can occur, each property owner will have to be notified by the Town Office of their official 911 number. This notice will contain information to assist everyone with the steps necessary for a smooth transition.

In addition, a public meeting by the State 911 people will be held. At that time they will answer any questions the public may have about how 911 numbers were assigned. We hope to have the date set for this public hearing to include in the notices; but the newspaper will carry a notice.

We want to thank everyone who has assisted us in any way during this project. Once you attend the hearing, you will under stand how important this system will be for everyone. Some roads and street signs are in place with the remaining ones to be installed ASAP. Already some signs have been removed by unknown persons. We sincerely hope people will think of the importance of theses signs and leave them in place. It could mean someone's life and that person could be a loved one.
